PETITIONING THE COURT**To issue a warrant.**

The probation officer believes that the offender has violated the following condition of supervision:

Violation Number Nature of Noncompliance

- 1 **Special Condition # 16:** You shall abstain from the use of alcohol and illegal controlled substances, and shall submit to urinalysis testing, including Breathalyzer testing, as directed by the supervising probation officer, not to exceed six separate urinalysis tests and six separate Breathalyzer tests per month.

Supporting Evidence: On March 23, 2010, the defendant was directed to report to the probation office to submit to urinalysis testing. After waiting for 3 hours, he could not produce a sample for drug testing. He was directed to report to Pioneer Counseling and submit to a drug test there, as their facility remained open until 7:00 p.m. Mr. Youngman reported to Pioneer Counseling and submitted to a urinalysis test that was presumptive positive for methamphetamine. He admitted to the undersigned officer that he used methamphetamine on March 22, 2010.

The U.S. Probation Office respectfully recommends the Court issue a warrant for the arrest of the defendant to answer to the allegation contained in this petition.
